

HomeWorks Tri-County People Fund and Operation Round Up

When you participate, you allow us to round your bill up to the next dollar amount. For instance, if your bill totaled \$52.73, you would pay \$53.00. That extra 27 cents is donated to the Tri-County People Fund. **Rounding up averages about \$6.00 per year per account.** The Round Up amount is clearly marked on your bill, and your total annual contribution is listed on the bill in January since it is tax-deductible.

Since the program began, we've given back nearly \$1.4 million to families and organizations. Grants are made by a **separate, volunteer board of directors** made up of HomeWorks Tri-County members. All grants are publicized in each issue of Country Lines, the magazine we mail to you. There is also an annual report published in Country Lines, and every grant is listed on our website at www.homeworks.org.

If you have questions about the Tri-County People Fund, please let us know. We hope you'll join the thousands of other Tri-County customers who participate - together, we make a difference.

If you would like to participate in this wonderful program, please call us at 1-800-562-8232 to let us know, or sign below and return this to us.

We have been receiving many requests for food + gas assistance and our funds were very depleted. Your grant was a wonderful blessing.

Thanks again.

Thank you from the bottom of my heart for what you have done for me! Not only keeping a roof over my head but hope in my heart

THANK YOU!

Yes! Please include our HomeWorks Tri-County account(s) in Operation Round Up so we can be a part of the Tri-County People Fund. I understand I can call and cancel my participation at any time.
